praised the chief for building a modern organization to carry on and cope with under these restraints and complications. Selectman David N. Haley, as the official closest to Chief Kinney, gave some insight on the way he has built a modern department starting from one man mounted on a bicycle and at the same time maintained a very personal and human warmth which has influenced two generations of Mattapoisett's children. As an example, Selectman Haley spoke of the Mattapoisett Hallowe'en celebration which he said is literally a one man operation-Chief Kinney's. He always comes up with the most wonderful prizes and with the help of many volunteers manages to give the

children treats and a parade which has grown to remarkable proportions. Mr. Haley said that Hallowe'en in Mattapoisett is a celebration. There is no destruction and no disturbance but rather a holiday, fun filled atmosphere. This, Mr. Haley explained, is the kind of influence which the children have always known and which builds in them a genuine affection for the chief and a respect for the whole department. Mr. Haley said that Mattapoisett's two cruiser force is one in which the town can take the greatest pride and that it is the result of Alden Kinney's dedication to his job for 41 years. Attorney Christopher Byron came as a representative of the Massachusetts Attorney General and he conveyed the regards and respects of that official to the Chief.

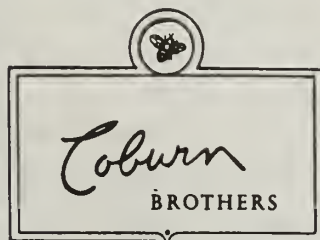

Chief Ralph K. Shore of Marion and president of the Plymouth County Police Chiefs' Association presented a life membership in the association to Chief Kinney. Chief John O. Soares of Somerset and president

ACCIDENT RATE GOES UP IN MARCH

Mattapoisett Police Chief Alfred E. Faria and Traffic Commission Chairman, William MacLean, announce that the Mattapoisett Accident Rate in March climbed to an all time high for that month, with 16 reported accidents. The worst previous March rate was 8 accidents in 1968. Since 1966 there has been only one month with a worse record and that was January of 1968 in which 18 accidents were recorded.

The total for the first quarter of 1969 is 40 accidents, and represents a 30% increase over the total for the same period in 1968.

Seven of the 16 accidents involved reported personal injury at the scene, with 9 persons injured. This compares with 2 injury accidents and 2 persons injured during March of 1968. To date we have had 16 persons injured (6 in 1968) this year in 12 injury accidents.

Eight of the 16 accidents occurred on Route 6, with no particular location seeming to be a problem. This is about 10% below the expected percentage. Also, 50% of the accidents occurred during clear weather and dry road conditions.

Of the 30 drivers involved, 18 were from Mattapoisett, 11 from other Massachusetts Towns and 1 was from out of State. Seventeen were male and 13 were female drivers.

There were 5 single car accidents and 11 multiple car accidents. Saturday proved to be the worst day of the week (not unexpected) with 5 accidents, and Wednesday and Friday were the next worst days with 3 accidents each. As expected, the PM hours from noon to midnight were the worst.

As reported earlier, selected enforcement is on the increase with a marked upswing in the number of traffic citations and warnings being issued by the Police Department. Also, studies are underway on specific accident locations, and recommendations for Engineering changes are being made. It is our hope that these Enforcement and Engineering changes will provide a deterrent to our ever increasing Traffic Accident Rate.

SPRING CONCERT AT HIGH SCHOOL

The Old Rochester Teachers' Club's Spring Concert will present The Regional Civic Chorus and The German Band. A program of classical, folk and contemporary music is being planned for the concert which will

be held on May 4th at 3 P.M. at the Old Rochester Regional High School auditorium.

The eight-piece "Deutschmeister German Band" was organized 4 years ago at the request of the Dawson Brewery Company and has played for numerous events. The formation of this type of band had its precedent in the early days of Germany and other European countries when small groups of wandering musicians would get together and perform in taverns, street corners or on stage. Every member has had over 30 years experience and has been selected for that very reason.

Tickets for the concert are now available at Tinkham's Pharmacy, Browne's Pharmacy

Jamboree, where he met scouts from almost every state and several from foreign countries.

He earned part of his expenses for the trip by caddying at the Kittansett Golf Club. He attends St. Rita Church, Marion where he has been an altar boy for over two years. His dream now is to enter a military academy soon.

Chester Smith, chairman of the Marion Boy Scout Committee, presided and conducted the meeting. The Eagle Scout presentation was made by Thomas Davy, commissioner of Cachalot Council. In making the award, Mr. Davy said, "to become an Eagle Scout, a boy has to travel a long, hard, winding road, with many by-ways, where a scout could make a wrong turn. He has to take step by step, earning each achievement badge, until he has acquired the twenty-one awards and finally gets to the top," a goal which only one percent of all Boy Scouts attain.

George Vezina, chairman of advancement committee for Cachalot Council, spoke briefly. Mike Davy and Richard Cormier, Eagle Scouts from New Bedford, escorted Manuel at the "Court of Honor" for his presentation. After Manuel receive his Eagle Scout badge, he presented his mother with an Eagle pendant. Films of the Boy Scouts' camping trips at Camp Cachalot were shown by Mike Davy and Richard Cormier.

The Rev. Leonard M. Mullaney of St. Rita Church gave the invocation and benediction.

Among the guests were Richard Daniels, chairman of Marion Cub Scouts Committee;

Institutional representative Henry Johnson, Belmiro Barros and Edward Figuerido of Scout Committee. Attorney and Mrs. Joseph Lipsitt who were guests were commended for their dedication and continued interest in scouting. Attorney Lipsitt is the holder of the "Beaver" award, one of the highest ever given to adults in scouting. Mrs. Lipsitt was commended for her help with Manuel who was in her Cub Scout den from age eight, where he automatically advanced. She has been a den mother for over 12 years, and has five sons, four of whom are Eagle Scouts.

TESSERA CORLON

When you see it, you'll agree — this new Armstrong vinyl floor, Tessera Corlon, is unique. And different. It actually has depth. You can look down into it. The softly colored vinyl chips set in translucent vinyl form fascinating random patterns. Tessera's natural textured effect adds elegance to any interior, yet never dominates. It's available in monochromatic stylings or with accent chips of contrasting colors. And Tessera can be used in every part of your home (even in a basement hideaway).

A Fresh Look at Our Pledge

RED SKELTON'S PLEDGE OF ALLEGIANCE!!

A simple rendition of patriotism from a baggy-pants comedian, Red Skelton, on CBS-TV the other night stirred the heart of the nation.

What happened was that Skelton explained the Pledge of Allegiance in terms of his childhood.

It has brought an almost unprecedented response from thousands of viewers. They

wrote, wired and phoned the network their unanimous congratulations.

"I've received my quota of such response, too, and many requests for copies of the transcript. In all my years in show business, I've never been so overwhelmed by audience response", Skelton said.

Here is a transcript of that segment of Skelton's program:

"Getting back to schools," Skelton began, "I remember a teacher I had. I only went through the seventh grade of school. I left home at 10 years of age because I was hungry. I'd work in the summer and go to school in the winter.

"I remember this one teacher. To me, he was the greatest, a real sage of my time. He had much wisdom. We were all reciting the

SUMMER ROMANCE

Pretty girls in pretty dresses— isn't that what summer is all about?

Fashion designers seem to think so. They've created a gently pretty, softly seductive look that spells summer romance for girls and girl-watchers.

"Shape" is the key word this summer. And it's all yours, in dresses snug-fitted at the bosom, and belted high, wide and handsome to emphasize a trim waist—or create one.

You can make all these fashion points with some brand-new designs from McCall's Patterns. Even if you're a mere slip of a girl, you can easily sew the fetching "bra dress" in Pattern #9746 for misses and juniors.

Make it in regular or mini

lengths, and play up its guileless simplicity with an old-fashioned wallpaper print or a charming border-patterned cotton.

If you want to be more dashing than demure, McCall's has just the dress for you in Misses Pattern #9740. There's high drama in the squared-off neckline and the swashbuckling belt that underlines it. A beltless version also swings, with the help of a dramatic stole in the same fabric.

Whether you choose a sporty denim or a partyish printed silk, the dress sews like a dream from an easygoing "Quickie" pattern.

Summer may be only an interlude—but these romantic dresses shape up as the new fashion love for all seasons.

"I've been listening to you boys and girls recite the Pledge of Allegiance all semester and it seems as though it is becoming monotonous to you. If I may, may I recite it and try to explain to you the meaning of each word?

'I - me, an individual, a committee of one.

'Pledge - dedicate all of my wordly goods to give without self-pity.

'Allegiance - my love and devotion.

'To the Flag - our standard, Old Glory, a symbol of freedom; wherever she waves, there is respect because your loyalty has given her a dignity that shouts freedom is everybody's job.

yet united to a common purpose, and that's love for country.

'And to the republic - republic, a state in which sovereign power is invested in representatives chosen by the people to govern; and government is the people, and it's from the people to the leaders, not from the leaders to the people.

'For which it stands.

'One Nation - the nation, meaning so

blessed by God.

'Indivisible - incapable of being divided.

'With liberty - which is freedom and the right of power to live one's own life without threats, or fear of some sort of retaliation.

'And justice - the principle or quality of dealing fairly with others.

'For all - which means, boys and girls, it's as much your country as it is mine.

"And now boys and girls, let me hear you recite the Pledge of Allegiance: 'I pledge allegiance to the Flag of the United States of America and to the republic for which it stands, one nation, indivisible, with liberty and justice for all.'"

And having told the story, Skelton concluded:

"Since I was a small boy, two states have been added to our country and two words have been added to the Pledge of Allegiance: 'Under God'.

"Wouldn't it be a pity if someone said, 'That's a prayer' and that would be eliminated from schools, too?"
